

MEDICAL DISCLAIMER

Not Medical Advice

The content on this website about red light therapy for hair growth is provided for general informational and educational purposes only. The information is not intended to be a substitute for professional medical advice, diagnosis, or treatment. Never rely on information on this website as an alternative to seeking professional medical advice.

Always Seek Professional Advice

Always seek the advice of your physician or other qualified healthcare provider with any questions you may have regarding hair loss, hair growth treatments, or red light therapy. Never disregard professional medical advice or delay seeking it because of something you have read on this website.

No Doctor-Patient Relationship

No doctor-patient relationship is created by using this website or by reading the information contained within it. The use of this website does not establish a doctor-patient relationship.

Results May Vary

Results from red light therapy for hair growth vary from person to person. The information presented on this website should not be interpreted as a guarantee of results. We do not make any claims regarding the effectiveness of red light therapy for treating medical conditions, curing diseases, or reversing hair loss.

Personal Responsibility

If you choose to implement any information or suggestions from this website, you do so at your own risk. Before starting red light therapy or any hair loss treatment, consult with a qualified healthcare professional, especially if you have existing medical conditions or are taking medications.

Not FDA Evaluated

Statements made about specific products, procedures, or treatments have not been evaluated by the Food and Drug Administration. Products and treatments discussed are not intended to diagnose, treat, cure, or prevent any disease or medical condition.

Limitation of Liability

By using this website, you agree that the owners, authors, and contributors of this site are not responsible or liable for any claim, loss, or damage resulting from the use of information provided.

This medical disclaimer is subject to change without notice and was last updated on March 4, 2025.
